

# Services

sho-shin, through the YOKOHAMA BIJUTSU BOEKI, offers complete sword restoration services in Japan. As members of the professional sword preservation community, the YOKOHAMA BIJUTSU BOEKI can provide complete steering and consultation for the proper restoration to antique arms and armor to ensure the highest level of quality, care and service.

**Please note** that the services of any polishing house or craftsman is available, including the most renowned names. We will be happy to make any and all arrangements.

**\* You have a choice \***

The YOKOHAMA BIJUTSU BOEKI will locate, for sho-shin readers, any book you need in Japan. This is a locating service. The prices for books vary according to condition and seller. You will pay costs and shipping. As this service takes time and effort, please feel free as your serious needs arise.

All swords require a certificate of registration obtained from periodic and mandatory police inspection called TOROKU. Shipping is planned to coincide with these necessary events.

Mandatory government TOROKU fee.....\$52  
 Postage and handling per sword.....\$250  
*exchange rate & variables*
